RETURNS

We sincerely hope you have a positive experience with the Cat Flap Step product. We have tried to engineer it so it really does work in most circumstances but understand sometimes not everything goes to plan. If you find out that it does not fulfil your expectations in any way or is defective, please return the item for a full refund or replacement.

Additionally, if you installed the Cat Flap Step incorrectly and now need replacement brackets with fresh self adhesive tape, please return your used brackets* with a covering note/address/contact details and we'll send a replacement set in the post for a nominal fee.

*Please just return the aluminium brackets and NOT the plastic step part. The aluminium brackets can be pulled off the plastic step part.

We can also just send out some replacement adhesive pads if you manage to remove the old ones. Again this is subject to a small charge.
